CS & Math @ Columbia '30 · builds things that ship.

EDUCATION

Stuyvesant High School — Class of 2026 · SAT 1580 · National Merit Finalist

QuestBridge — National College Match Recipient

Columbia University — B.A. Computer Science & Mathematics, Class of 2030

EXPERIENCE

24/7 Teach · Software Development Intern → Software Engineer · New York, NY Feb 2025 – Present

- Designed and shipped NaomiAI ELA from scratch — a K-8 reading-intervention platform now in production for 190 students at Legacy College Prep (South Bronx charter), with a paid annual contract and a 2-year research partnership.
- Built a secure Supabase PostgreSQL backend with row-level security across 13+ student-data tables and 160+ singleton services, with a React / TypeScript / Tailwind frontend.
- Started as a paid CS4ALL Pathfinders intern under Justice Jones; hired part-time after the internship for outstanding performance.

Fed10 (Y Combinator W26) · Software Engineering Intern · San Francisco, CA Jan – Jun 2026

- Built asynchronous Python web scrapers aggregating municipal regulations and laws from government databases into a single centralized store.
- Re-architected a 100k+ line Flask backend to be agent-native: a CLAUDE.md resolver table routes AI coding agents to 22 area-specific docs so agents load the right context before touching code.

O2NYC · Software Engineer & Volunteer · New York, NY Dec 2024 – Present

- Built and shipped pages for o2nyc.org, supporting the nonprofit's mission to deploy affordable PM2.5 air-quality sensors in underserved NYC neighborhoods.
- Contributed to \$8,000+ raised and assembled sensor hardware across 15+ volunteer hours.

LEADERSHIP & PROJECTS

StuyCast · VP of Web Development Sep 2025 – Jun 2026

- Lead the web crew building stuycast.org in Next.js, React, TypeScript and Tailwind — showcasing video productions to 3,000+ students.
- Shipped the team roster, a YouTube-integrated video gallery, Instagram embeds, and Three.js + Framer Motion visual effects.

Junior & Senior Caucus · Web Developer / IT Lead

Jul 2024 – Jun 2026

- Spearheaded front-end development of the Junior and Senior Caucus sites — 3,000+ lines of React over two years, maintained live through the school year.
- Helped raise \$2,000 toward Junior Prom.

Science Olympiad · Varsity Competitor & Web Dev Lead

Sep 2023 – Jun 2026

- Biology study division — 2nd in Epidemiology, 6th in Microbiology out of 300+ schoolwide.
- Medal consistently at collegiate invitationals against 60-90+ team fields at Yale, Columbia, and Brown.

PROGRAMS & AWARDS

MITES Summer @ MIT (Summer 2025): 1 of 65 from 6,000+ applicants (~1% admit), fully funded. Led a 4-person team running a paid public survey on perceptions of AI-generated work (Qualtrics + Prolific, 200+ respondents); analyzed results in R and Python; presented at the MITES 2025 Symposium.

NYU Cybersecurity for CS (CS4CS) (Summer 2024): Four-week cybersecurity program in Python; authored a research paper on AI's future applications in cybersecurity.

3rd Overall — Citadel / Citadel Securities High School Terminal (2026) · 4th Place — Jane Street NYC Mystery Planet (2026) · National Merit Finalist — PSAT/NMSQT 1500 (2025) · Best Academic Award, Economics — MITES Summer @ MIT (2025) · Irwin Zahn Spirit of Innovation Prize — \$1,000 (2025) · Daniel Bergstein 1980 Memorial Scholarship — \$2,500 (2025) · 9× Science Olympiad medals — Yale, Columbia & Brown invitationals (2023–26)

TEACHING & COMMUNITY

Stuyvesant CsDojo · Volunteer Tutor: Weekly after-school tutoring in AP CSA and Computer Graphics; weekly confusion-point reports for CS faculty.

MyPy Coding · Mentor: 25+ weekly Zoom sessions teaching Python and Scratch fundamentals.

The Singing Winds · Volunteer: Weekly playground setup; helped distribute backpacks and school supplies to 500+ children.

SKILLS

Languages: Python, TypeScript, JavaScript, Java, C++, R

Frameworks & Libraries: React, Next.js, Flask, Tailwind CSS, Three.js, Framer Motion, GSAP

Platforms & Tools: Supabase, PostgreSQL, Git, RStudio, Qualtrics, DaVinci Resolve

Spoken: English (fluent), Mandarin (fluent)
